

Living Word Bible Fellowship Church was founded in 2004 and began worshipping at Woodcrest Elementary School with a mission to reach our communities in a practical and spiritual way! Since that time the Lord has blessed us numerically and with the awesome privilege of serving our community by providing hot meals and clothing, giving away school supplies to the children of our local school districts, providing meals and Christmas gifts to families, and providing meals to Faith Missions Homeless Shelters. In addition, we sponsor many free outreach events to raise money and supplies for various non-profits to include:

- The Women's Clinic of Central Ohio, an organization designed to help mothers keep their children,
- DOMA International, an organization set up to eradicate human trafficking of young girls and women,
- Organizations catering to "At Risk" Youth and Young Adults
- Faith Missions Homeless Shelter. an organization serving men and women who are displaced

Recently, God has saw fit to bless us with a spacious 13,000 square foot establishment so that we could expand even more. We will move to purchase this building in **August of 2014** and at that time we will need to have raised a total of **\$100,000**. This is a large feat, but with God and you on our side, we know we can do this!

We are asking that you consider a donation or purchasing a leaf from our Giving Tree, for yourself, family, business or in memory of a precious loved one or an organization of your choice. Your donation will go towards helping us purchase and make permanent the work that God is doing on the East side of Columbus through Living Word Bible Fellowship.

We thank you in advance for your prayerful consideration!

God bless you.

**Come join us in participating in securing and sustaining Living Word Bible Fellowship Church for years to come by making a gift donation to our Giving Tree Campaign!**

In our foyer area, we have mounted a Giving Tree that will eventually stand 4 ft by 6ft tall. This tree will display beautiful leaves made of brass. Each leaf will be customized with the name of a person, family name or organization it was in memory of, by those who have given generous donations designated on their behalf.

The Giving Tree helps fund our down payment towards the purchase of our building in **August 2014**. The lasting Tree display will be a true testament to the community's support and generosity.

You, your family or your business will have your name on a leaf by making a gift to our Giving Tree Campaign. Each donor is entitled to an individual leaf with their name/and or someone else name to be prominently displayed.

Your generosity will be available for all to see.

Come joins us in the important and historical campaign!

Thank you!

Dr. Kevin Hairston,  
Sr. Pastor
